## 2016 AUSTRALIAN SMALL BUSINESS CHAMPION AWARDS

### LOCAL FINALIST FOR 2016 AUSTRALIAN SMALL BUSINESS CHAMPION AWARDS

Spotscreen is a finalist in the Champion Professional Medical Services category for the 2016 Australian Small Business Champion Awards to be held at The Westin Sydney on Saturday 23<sup>rd</sup> April, 2016. This is the largest awards program for small business in Australia with the winners of 43 industry categories.

Building their reputation as the 'Oscars' for Australia's small business sector, the Australian Small Business Champion Awards is the only national program of its kind to recognise achievements and honour great performances in small business.

One of the aims of the Australian Small Business Champion Awards is to encourage excellence. "The Small Business Champion Awards is a celebration of small business and its contribution to the Australian way of life", said Steve Loe, Managing Director of Precedent Productions who created and presents the awards. "When the Champion Judges evaluate the entries, they are looking at all aspects of a winning business; business strategies, customer service, vision, support of the local community and growth, just to name a few. It's not always about the financial returns. There are many small business owners who will never be millionaires, but whose contribution is invaluable", Steve said.

"This National Awards Program was founded eighteen years ago as a celebration of Small Business. This program is the only national program that specifically enables small businesses to compete with and gain exposure nationally."

The Awards program is proudly sponsored by *Castaway Financial Forecasting, BizCover and Key Person of Influence.*

Spotscreen will represent the local community at the upcoming evening in April. Their passion, dedication, commitment and hard work will be recognised and celebrated amongst their peers in an experience they will never forget.
